In addition to this, your newly born gets covered under New Born Baby benefit\* from the very first day, which includes defined vaccinations. (Not available under individual plan).

#### **Day Care Treatments**

Some treatments require hospitalisation but do not require for you to stay overnight in hospital such as dialysis, angiography, endoscopy among other procedures<sup>\$\$</sup>. Our comprehensive policy provides coverage for such treatments.

#### **Pre and Post Hospitalisation**

Pre and post hospitalisation expenses are covered up to the sum insured, 90 days prior and 180 days post hospitalisation.

#### O2 Living Organ Donor Transplant

In case of an organ transplant, medical expenses for the organ donor's in-patient treatment for the harvesting of the organ donated are covered by us.

#### International Coverage and Inbuilt Travel Insurance.

Sometimes, there are certain planned procedures that you or your loved ones need to undergo. In such cases, you can avail cashless treatments (post diagnosis in India) anywhere outside India, excluding USA & Canada. Our plan covers 9 specific illnesses under this facility: Cancer, Myocardial Infarction (Heart Attack), Coronary Artery Bypass Graft, Major Organ Transplant, Stroke, Surgery of Aorta, Coronary Angioplasty, Brain Surgery and Primary Pulmonary Arterial Hypertension.

There are times when you travel abroad, and an unplanned need for medical care arises. #### We've got you covered, even outside hospital.

We understand that not all treatments require hospitalisation. Which is why, we offer coverage to you even outside hospital by taking care of health check-ups from day 1, pharmacy & diagnostic services, domiciliary treatment coverage as prescribed by a medical practitioner and e-consultations. You even get coverage for emergency assistance services and ambulance costs, so that at no moment you ever feel that healthcare is far away.

#### Good health comes with great benefits.

# We know that there is always room for more, which is why our care comes with additional benefits you can opt for.

#### O4 International Coverage Extension

When you decide to travel abroad, we give you the option to increase your international coverage sum insured from INR 1 Crore to INR 2 Crore to cover all your international travel needs. In case you travel to USA/Canada, you can opt for enhanced geographical coverage\*.
